

ALVAN CLARK & SONS,
ASTRONOMICAL TELESCOPES.

CAMBRIDGEPORT, MASS.,

..... July, 25th. 1892

Wm. H. Knight.,

Los Angeles, Cal.

Dear Sir;

Yours of the 14th. is at hand. At present we do not know of any important addition to the list sent to you last December.

We are now well advanced with the Bruce photographic telescope of 24 inches aperture and about 11ft. focus. We expect to have it in working order in a few months.

Yours truly,

Alvan Clark & Sons
